## Rob Plompen

*IBA*

### **President Business Unit Dosimetry based in Schwarzenbruck, Germany**

Rob Plompen, married and father of one daughter, graduated Cum Laude in Analytical Chemistry from the IHBO in Breda, The Netherlands in 1987. His thesis was awarded with the “Golden Spatula” by the Royal Dutch Chemistry Society as best thesis of the year.

After ten years of international commercial experience with amongst others Harshaw Chemie B.V. in The Netherlands and Bicron Technologies in Germany, he joined Wellhöfer Dosimetrie GmbH as Area Sales Manager in Schwarzenbruck, Germany in 1997.

IBA acquired Swedish based Scanditronix-Medical AB in 1998 and Wellhöfer Dosimetrie in 1999 to what is today known as the Business Unit IBA Dosimetry. From 2000-2003 he headed the Sales and Marketing department and is BU President and Group Management Team member since 2004.
